Your VISION Realized with LG

Elevate Your Lobby Experience!

LG helps bring **your vision** to life by transforming lobbies into immersive environments that create memorable first impressions, showcase critical company messaging, and enhance employee engagement.

LG is offering a special manufacturer's discount.

LG Display and IT solutions help transform your lobby spaces into strategic business assets. Stunning Direct View LED displays create memorable first impressions that elevate brand presence, while dynamic digital signage keeps customers and employees informed, engaged, and connected with real-time communications.

LG DVLED – Large Direct View LED displays with vibrant color and high contrast can be installed either with LG's standard bundles or customized to suit virtual any installation.

LG Signage Displays – LG displays are available in a wide range of sizes, configurations, and features, making it easy to find the ideal solution for virtually any lobby environment.

LG Kiosk – Create a seamless guest arrival experience with a modular kiosk system built for customization and adaptability.

LG SuperSign™ CMS software – Stay in control with real-time display monitoring and quick content updates.

LG PRO Services – Professional installation support for DVLED solutions helps support integrators, specifiers, and end-users from single-site deployments to larger rollouts.

LG Desktop Monitors – LG UltraWide™ desktop monitors offer an expansive viewing experience, making it easy to present critical information, improve communication, and engage employees or guests with greater impact.
